FOR IMMEDIATE RELEASE

**Meet the Star of *FEROCIOUS*, Amanda Crew (She's The Man, Sex Drive, Charlie St. Cloud),
Thursday, March 7, 2013 at Landmark Cinemas Abbotsford Town Centre and
Friday, March 8, 2013 at the new Landmark Cinemas 10 New Westminster**

February 25, 2013 (Calgary) – The beautiful Vancouver born actress Amanda Crew will be in attendance to open her new movie *FEROCIOUS* with Director Robert Cuffley **Thursday, March 7 at 7 p.m.** at **LANDMARK CINEMAS ABBOTSFORD TOWN CENTRE** and **Friday, March 8 at 7 p.m.** at the new **LANDMARK CINEMAS 10 NEW WESTMINSTER**.

Born and raised in Langley, British Columbia, Amanda Crew began her professional acting career in Vancouver as a regular on the television series *15/Love* and then as the female lead on the hit series *Whistler*. Since her television success she has been featured in supporting lead roles in movies such as *Final Destination 3*, *She's The Man*, *Sex Drive*, starring alongside Seth Green, and *Charlie St. Cloud* with Zac Efron.

Amanda does a superb job starring as Leigh Parrish in *FEROCIOUS*, a TV actress trying to secretly retrieve a sexually incriminating videotape from a seedy nightclub owner, effectively played by Kim Coates (*Sons of Anarchy*, *Black Hawk Down*).

Written and directed by Calgary Director Robert Cuffley, *FEROCIOUS* is a psychological thriller. *FEROCIOUS* premiered at the World Film Festival in Montreal and "had people cringing and jumping at shadows," observed Cuffley. "It was great. Seeing it with an audience is, in a sense, seeing it for the first time. And it really works nicely. Acting is top notch."

Along with attending the movie opening **Amanda Crew** and **Director Robert Cuffley** will be hosting Q & A sessions at both theatre locations after the movie.

FEROCIOUS also stars **Michael Eklund**, Eric (*The Hive with Halle Berry*, *The Divide*, *Walk All Over Me*) Dustin Milligan and Katie Boland and was produced by Calgary's Carolyn McMaster, CHAOS a film company and Saskatoon's Anand Ramayya of Karma Film.
